

# Getting Started with Refer a Friend App

## Create Your Account

Sign up as either a Member (to share referrals) or Professional (to receive referrals).

## Enable Notifications

Allow push notifications and messages.

## Complete Your Profile

Add a profile picture and short bio to personalize your account.

## Invite Professionals

Build a Marketplace by inviting professionals you know. Share the Pro video and direct them to [www.referafriendapp.net](http://www.referafriendapp.net).

## Share Your Marketplace Link with Friends

Earn 50% of referral fees when friends use your Marketplace. You'll also receive indirect referral earnings from their activity.

## Store Your Referral Links

Save your existing referral links – credit cards, banks, or other 'refer a friend' offers.

## Set Up Payments

Connect your Stripe merchant account under Settings/Payments with your banking info so you don't miss earnings.

## Keep Growing

Continue inviting Pros and sharing your link to maximize referral opportunities.
