

Getting Started with Refer a Friend App

Create Your Account

Sign up as either a Member (to share referrals) or Professional (to share or receive referrals).

Enable Notifications

Allow push notifications and messages so you don't miss making a connection.

Complete Your Profile

Add a profile picture and short bio to personalize your account.

Invite Professionals

Build a Marketplace by **inviting professionals** you know. Share the Pro video and direct them to www.referafriendapp.net.

Share Your Link & Invite Friends

1. Earn 50% of referral fees when friends use a Pro in your Marketplace.
2. If you're first to sign up a new member with your link you'll also receive indirect referral earnings from their activity. 10% of the Apps portion.
3. Invite Friends and share one another's Professional relationships to expand each other's network.

Store Your Referral Links

Save your existing refer a friend links with us in "Additional Referral Links" – credit cards, banks, or other 'refer a friend' offers.

Set Up Payments Connect your Stripe merchant account under Settings/Payments with your banking info so you don't miss earnings. If you don't have a website, copy and paste www.referafriendapp.net as your website and choose the proper industry when setting up.

Keep Growing

Continue inviting Pros and friends by sharing your personal links to expand..
